

The background of the slide is a collage of six images, all tinted with a reddish-pink hue. The images include: a close-up of a baby being kissed on the cheek by an older man; a man in a military-style uniform; a person in a white protective suit; three medical professionals in white coats discussing a case; a group of three people (two men and one woman) flexing their arms in a celebratory gesture; and a woman in a white lab coat smiling while looking at a tablet.

How to Register & Provide study-level metadata for a study on HEAL Platform

A multi-part series:

Instructions: Log-in to your CEDAR user account

Watch the video tutorial

After logging in, you are automatically directed to your 'Workspace' page on CEDAR

Located on the left are different tabs (i.e., Workspace, Shared with Me, Shared with Everybody, and Community Folders). The tab that is bolded indicates the page you are on.

Click on the icon of the person located at the top-right corner
